WARNING CONCERNING COPYRIGHT RESTRICTIONS

The copyright law of the United States (Title 17, United States Code) governs the making of photocopies or other reproductions of copyrighted material. Under certain conditions specified in the law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these specified conditions is that the photocopy or reproduction is not to be "used for any purpose other than private study, scholarship, or research." If a user makes a request for, or later uses, a photocopy or reproduction for purposes in excess of "fair use," that user may be liable for copyright infringement.

GMS Baseline Questionnaire

2004 Freshmen Recipients/Non-Recipients (Cohort V Freshmen)

Survey Administered Online Spring 2005

**Gates Millennium Scholars Tracking and Longitudinal Study
NORC at the University of Chicago**

Comments

This document is a revised version of the GMS Baseline survey administered online to Cohort 5 Freshmen in 2005.

Changes from the original questionnaire document, which was used to code the online survey, include:

- Variable names of variables included in delivered dataset appear in bold font
- Coded variables (e.g. industry/occupation codes for type of job; college major codes) included in delivered dataset are noted in parenthesis next to the variable name associated with the question.
- A full list of preload variables (e.g. scholarship application information) and derived variables (e.g. rec_nrec (received scholarship) derived from pl_2 (population type) values), which are not questions on the questionnaire, appears at the end of the questionnaire.

GMS First Follow-up Questionnaire

2004 Freshmen Recipients/Non-Recipients (Cohort V Freshmen)

Survey Administered Online Spring 2007

**Gates Millennium Scholars Tracking and Longitudinal Study
NORC at the University of Chicago**

Comments

This document is a revised version of the GMS First Follow-up survey administered online to Cohort V Freshmen in 2007.

Changes from the original questionnaire document, which was used to code the online survey, include:

- Variable names of variables included in delivered dataset appear in bold font
- Coded variables (e.g. industry/occupation codes for type of job; college major codes) included in delivered dataset are noted in parenthesis next to the variable name associated with the question.
- A full list of preload variables (e.g. scholarship application information) and derived variables (e.g. rec_nrec (received scholarship) derived from pl_2 (population type) values), which are not questions on the questionnaire, appears at the end of the questionnaire.
- To lessen the burden on respondents some First Follow-up survey questions were skipped and Baseline values carried forward for respondents to the Baseline (rnd_1 =1) survey: APPLCYR, CHNGSCHL, GMSLEADER, GMSLDACT, R_GENDER, HISPANIC, HISPCOUN, HISPOTHRV, HISPOTHR, AMERINDN, HAWAIIAN, ASIAN, BLACK, WHITE, ETHNREFU, AITRIBEV, AITRIBE, NATHAWAI, OTHHAWAIV, OTHHAWAI, ASIANORG, OTHASIANV, and OTHASIAN.

GMS Second Follow-up Questionnaire

2000 Graduate Student Recipients/Non-Recipients (Cohort I Graduates)
2004 Freshmen Recipients/Non-Recipients (Cohort V Freshmen)

Survey Administered Online Spring 2009

**Gates Millennium Scholars Tracking and Longitudinal Study
NORC at the University of Chicago**

Comments

This document is the basis for the programming of the GMS Second Follow-up survey administered online to Cohort 1 Graduates and Cohort 5 Freshmen in 2008. It includes question text, variable names (although variable names in the raw dataset for checklist questions will differ), and skip instructions for the survey.

Cohort I Graduate Abstract

The 2nd follow-up questionnaire was administered to Cohort 1 Scholars (recipients) and non-recipients who applied for GMS funds for the 2000-2001 academic year as Graduate Students. The data from the 2nd follow-up questionnaire were collected by NORC in 2009 by Web in the eighth year of the Gates Millennium Scholars Tracking and Longitudinal Study. Other background information was supplied by United Negro College Fund (UNCF).

Cohort V Freshmen Abstract

The 2nd follow-up questionnaire was administered Cohort 5 Scholars (recipients) and non-recipients who applied for GMS funds for the 2004-2005 academic year as Entering Freshmen. The data from the 2nd follow-up questionnaire was collected by NORC in 2009 by Web in the eighth year of the Gates Millennium Scholars Tracking and Longitudinal Study. Other background information was supplied by United Negro College Fund (UNCF).
